

We Strive for Excellence

Keeping a spirit of endeavor and professionalism at the heart of everything we do.

CEO Message

As Gateway Express Shipping (GES) continues making progress and success, I dedicate this exciting phase in our history to our people who are the true asset of our organization and to our delighted clients, without them, we would not be able to deliver exceptional results every day. The constant quest for excellence is what has established GES as a leading, trusted maritime services company in the region.

Since our inception, GES has redefined the dynamics of maritime services, and today it is served as a new benchmark for the others across the region. Our driving force, undoubtedly, has been the trust our clients have placed in us.

Today across the world business models are being redesigned and technology is changing fast. Companies who fail to respond to these changes effectively risk being exposed to setbacks that affect their long-term prospects.

Here at GES, we see the transformation around us as promising opportunities to create a continuous progress. Our goal is to be a persevering company that creates enormous value for our clients, our people and the communities where we operate.

Khurram Niazi
Chief Executive Officer

We continue to grow

Gateway Express Shipping (GES) is a division of Rais Hassan Saadi LLC established in 1910, Rais Hassan Saadi LLC is one of the oldest groups of companies in the Middle East with a very strong background in shipping and freight services.

Living up to the high reputation of Rais Hassan Saadi Group, GES has grown to become a pioneer in providing integrated maritime services. Today, GES provides consistently a broad spectrum of reliable services, which is spearheaded by our port agency functions. Under dynamic management, GES is continuously making extraordinary progress through innovation that boosts business performance and gives our clients the true advantage over their competition.

With a team of dedicated and experienced professionals that are well versed with the knowledge of local shipping, customs, port rules & regulations and equipped with cutting-edge technology, GES continues to help our clients achieve their strategic goals.

MISSION

The word 'MISSION' is displayed in large, bold, white capital letters. A hand in a dark suit jacket points towards the word from the left. Surrounding the word and hand are numerous semi-transparent icons representing various business and logistics concepts: a magnifying glass, a shopping cart, a house, a clock, a bar chart, a pie chart, a location pin, a truck, a calendar, a puzzle piece, a gear, a speech bubble, a barcode, a globe, a document, a network diagram, and a target. The background is a dark blue gradient with a subtle pattern of white dots and a faint image of a person in a suit.

Vision and Mission

GES is committed to deliver integrated maritime services at the highest levels.

To become one of the most admired shipping companies in the region by delivering a flexible portfolio of services built on quality, dedication and a commitment to long term business relationships.

To provide the highest level of marine and related services dedicated to building long-term relationships with clients, staff and suppliers. We are committed to delivering effective integrated services to the marine, shipping, logistics and related markets.
