CEO Message | Welcome to Freight Connection Group

At FCG, business is conducted in a real professional and transparent manner. Our work model brings value to our customers and makes us different. We make all efforts to bring ease and comfort for our clients by assuming a role of partner in their business.

Our core values are to assist businesses in attaining the right strength and augment our colleague's worth. We do everything to live up to our client's requirements and expectations. We provide the best rates in the market with quality, cost effectiveness, and consistency on services.

For the development of human capital, we consider providing on the job training, workshops, internships, evaluation, personnel management and consultancy as a key to our success.

I am proud that our customers trust us and maintain a long term relationship. We have come a long way to gain market consideration and trust where our employees have been the greatest asset.

In the future, we will strive to maintain our values and standards by acquiring support from our valued external and internal customers.

S.KAMRAN ANSARI
Chief Executive Officer

DIRECTOR Message | Welcome to Freight Connection Group

Since the inception of FCG, we had a goal aligned with our vision to raise the bar for the freight transport services in the region by providing world-class services. Years later, today, as I see that goal has been realized and we stand as a role model freight transport organization with our constant quest to be extraordinary, I endorse the credit of this resounding successful journey goes to our partner, our clients and our people.

In pursuit of excellence, FCG has redefined the dynamics of freight transport, which is now a new benchmark for the industry. Our partnership with RHS, one of the oldest and top-notch freight enterprises in the world, is itself shows our inquest to be the best. Our source of inspiration has been our clients. We keep them at the heart of our various services. Committed to be transparent and trustworthy has made our relationships with our clients reliable, robust and stronger over the years. We, at FCG, cherish and celebrate their continued confidence and trust in our organization.

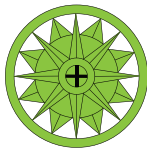

Our driving force has been our people for their immense efforts and impeccable execution every day. They put their hearts to make sure things run smoothly in day-to-day operations, met deadlines to keep businesses moving and growing, and surpassed expectations to delight our customers.

I overwhelmingly congratulate to all of them and myself, to be part of the FCG organization – one of the region's most valuable and most admired freight transport organizations. At FCG, we see innovation and challenges as promising opportunities to create and endure delightful experiences for our clients. We are leveraging on innovative ways and industry potential to enhance our efficiency in fast growing international markets. We are boosting our strategy to personalize our services and will continue to create enormous value for our partner, our clients and our people.

I am confident more exciting years lie ahead of us.
